

The City League Teams are Strengthened High Class Ball to Mark End of Series

BY R. B. CADDLE.

FANS of El Paso will have an opportunity to see some classy baseball at Washington park during the remainder of the season. The City League teams are being strengthened by signing players who played during the season in the Texas league, the Oklahoma and Texas leagues, the Copper league and other fast circuits.

Such stars as Hugh Harbin, former of Birmingham to Fort Worth, will be seen in action. Harbin, an El Paso boy, is touted as one of the coming star twirlers of the Southern league. Harbin, who is finishing the season with Birmingham and he was turned out to Fort Worth, where he made an excellent record. Harbin is a youngster and will undoubtedly some day go up to the big show if he continues improving.

Chiff Hill, another El Paso boy, who pitched for Waco this season, will be on the mound for the Bankers. Hill has made a great record this year and it was largely due to his twirling that the Waco team made such a showing. He too is only a youngster, and with another year's experience in the Texas league, should go up to faster company.

Harry Kane, who formerly was with the Philadelphia Athletics, and who twirled during the past season for Santa Rita, is also a member of the Bankers' twirling staff. "Dutch" Nagle, who will play right field for the Bankers, was with Paris, the Texas-Oklahoma pennant winners, and the Port Haysed risk during the past season. Mark and Baker, of the Bankers, played with Silver City, and Graham with Danville, pennant winners of the Third I. League. Horshack, who will catch the remainder of the games for the City League, played during the summer with the Port Haysed club of the Copper league. Eberlein, first marker for the City League, played first base this season for Fort Worth.

Sunday the Gas company plays the Purity club, while the Bankers and company L. look up. These two games should prove very interesting, since the teams have been

EYES TROUBLE YOU?

TRY THIS SIMPLE RECIPE.

We all know some home remedy for our minor troubles, and by the use of these remedies many a doctor's bill is saved and doubtless many a life. How few know what to do when their eyes become tired and ache, or feel dry and inflamed from abuse and overuse? In the morning your eyes feel rough or sticky, or they trouble you when you read. What do you do? Most of us rush off and get glasses (perhaps at some cheap store where no skill is used in fitting our eyes), which we very often do not need at all. Thousands are wearing mist or unnecessary glasses, which they might better discard and strain their eyes with a little care, probably so strengthen their eyes that glasses might never be necessary. Here is a free recipe that may be relied upon to give comfort and to help the eyes of some people; it is harmless and has the enthusiastic endorsement of thousands who have used it:

5 Grains Opton (1 tablet).
5 Grains Water.

Use as an eye wash night and morning, or oftener if possible. It makes most eyes feel fine, quickly allays irritation, brightens the eyes and sharpens the vision. Many who have used it no longer feel the need of glasses; many others have ceased to fear that they will soon be obliged to wear them. Get the Opton tablets from Kelly & Pollard or from your nearest druggist and prepare the solution at your own home.—Advertisement.

STOP SUFFERING NOW FROM ASTHMA

Go to Kelly & Pollard and buy a package of Dr. Rudolph Schiffmann's Asthmador today and if it does not give instant relief, and even more, if you do not find it to be the very best remedy you have ever used, go back and your money will be cheerfully returned by these druggists without any question whatever. No matter what else has failed, Asthmador or Asthmador Cigarettes will give instant relief usually within 10 seconds, but always within 15 minutes. It does not matter how violent the attack or obstinate the case is, or what else has been tried and failed, Asthmador will relieve instantaneously. If it does not, this package will cost you nothing. Go back and get your money refunded. You are to be the sole judge as to whether benefited or not. No risk is run in buying this remedy under this positive guarantee by Kelly & Pollard.

Persons living elsewhere will be supplied under the same guarantee by their local druggist or direct by Dr. H. Schiffmann, St. Paul, Minn.—Adv.

A GOOD VAUDEVILLE AT THE ALHAMBRA

"Los Guerrita," a Spanish sister act, is the headliner on the new bill at the Alhambra. The two sisters carry a splendid line of scenery and an elaborate change of wardrobe. They are vivacious and have an act that is full of fire and life. All their singing is done in Spanish, to the accompaniment of Spanish dance steps. The Spanish speaking part of the audience will appreciate the act that they will find to be a headliner on almost any bill. Some of the cleverest juggling work ever seen on a stage is included in the act. George and Marie Brown, advertised as the most extravagantly costumed actors in vaudeville, do good singing and dancing which Miss Brown makes two changes of costume. She sings "My Hero" in a particularly high key and makes all the notes without a tremor. Pictures complete the bill.

Beginning Saturday, the same company that presented "The New Chief of Police" last week will appear in "The Convent and the Warden." G. A. M.

TODAY'S AMUSEMENTS.

CLASSY PROGRAM AT BIJOU.
"The Vagabonds" and "A Heart-Seller Weekly" will be the bill tonight at the Bijou. "The Vagabonds" is a spectacular dramatic tragedy of Filadelfia, written by James Oliver Curwood, featuring Stella Razeto and Guy Oliver. This picture deserves to be placed in the same category with far more serious and pretentious pictures. Its historical value is paramount, saying nothing of its splendid direction, beauty and thrilling scenes. At least three or four hundred people were utilized in this production, and as a whole it is recommended as a superior picture. The Heart-Seller Weekly, with its timely and timely current events, will complete a program that is second to none.

Tomorrow, Arthur Johnson will be seen in "The Beloved Adventurer," a series of 15 dramatic photoplays that are not continuous, each picture telling a complete story. This series will be shown every Friday at the Bijou. "The Beloved Adventurer" is in book form at the Bijou office and we assure the public that it is a book worth reading.

Monday, "Ship of the Flying U." in 2 move parts, will be seen. It is a picture above the average.—Adv.

LAS GUERRITA—ALHAMBRA.

Las Guerrita scored an overwhelming success at the Alhambra last night. They received encore after encore. George and Marie Brown would be headliners at almost any stage in the country. The Kerrises are truly a wonderful act. All are proud to acknowledge El Paso endorsement of the Alhambra's efforts to give them the best there is.

The feature picture, "The Lost Diamond," an absorbing 3-reel film, will be shown today, also a good comedy, "The Water Wagon." The Alhambra has procured by wire the only picture taken of war-torn London, one of the real authentic pictures, taken since the war. This picture will be shown Saturday. Come early and avoid the crowd. The matinee doors open at 11 a. m. Admission is 5c and 10c. Evenings the admission is 15c and 25c.—Adv.

PROGRAM AT THE UNIQUE.

"The Rock of Hope," featuring Harry C. Myers and Dorothy Thedy, will be shown at the Unique. It is a deep emotional play. Those who should know have said that a man steeped in sin is unable to achieve reformation, that some sudden catastrophe to create a spiritual awakening is necessary in such a case. That true story is the human interest play, "The Rock of Hope," argues that it can. It is admirably presented. The program will also include one of those funny, Bob Leach and "Boob" comedies—The Boob's Legacy.

Saturday, Christy Mathewson will be seen in a two-reeler—"Love and Baseball." Every Sunday and Monday, "The Tree of Heaven," a comedy, is shown. Wednesday and Thursday—"The Dollar Mark." Tomorrow women and children get FREE a package of frozen mince—a new gum.—Adv.
